The PEO Graphic Licence Plate Program

Partnering with Service Ontario, Professional Engineers Ontario (PEO) is proud to present the PEO Graphic Licence Plate Program for Ontario residents and PEO members.

Support the engineering profession and help PEO create brand recognition in Ontario and beyond by proudly displaying, on your Ontario licence plate, the official logo (the PEO diamond) of Professional Engineers Ontario.

When you travel throughout Ontario and Canada, other travelling Canadians will see the PEO logo on your licence plate. Our hope is that this will increase public awareness of the engineering profession so that people will express interest in the association and its mandate:

Regulating the practice of professional engineering and governing licence holders in Ontario in the public interest

Professional Engineers Ontario licenses Ontario's 73,000 professional engineers, grants temporary, limited and provisional licences to practise professional engineering, and authorizes businesses to provide engineering services to the public. It sets standards for and regulates engineering practice. Under the Professional Engineers Act, its statutory mandate is to serve and protect the public interest where engineering is concerned. Rigorously educated, experienced and committed to a Code of Ethics that puts the public first, licensed professional engineers can be identified by the P.Eng. after their names. Limited engineering licensees can be identified by the LEL after their names.

PEO graphic licence plates are for general purchase and they are available from Service Ontario locations throughout Ontario. There is no prerequisite to be a PEO member to purchase these plates.

The initial 200 graphic licence plates PEO purchased are all sold out. However, you can still get PEO graphic licence plates from Service Ontario locations.

How Do I Order My PEO Graphic Licence Plate?

PEO and the licence plate distribution centre cannot be held responsible for, or accept penalties, fines and other monetary / non monetary penalties resulting from the owner not complying with the *Ontario Traffic Act* and in relation with the PEO graphic licence plates.
